Kidney disease advances so rapidly that many a person is firmly in its grasp before aware of its progress. Prompt attention should be given the slightest symptom of kidney disorder. If there is a dull pain in the back, headaches, dizzy speils or a tired, worn-out freling, or if the urine is dark foul-snelling, irregular and attended with pain, procure a good kidney remedy at once.

Your townspeople recommend Doan's Kidney Pills. Read the statement of this Newport News clizm. Chas. E. Carver, living at 220 Twenty-seventh street, Newport News, Va. says: In 1903 I gave a statement for publication in which I recommended Doan's Kidney Pills and at this time. (Aug. 29, 1907) can conscientiously say that I still think highly of the remedy. For a long time I suffered from a dull aching in the small of my back, which though never severe enough to lay me up, annoved me a great deal. Seeing Iwan's Kidney Pills highly recommended, I resolved to give them a trial, and procured a box at the Allen Drug Store. They cured me and I have not suffered from kidney compiaint since.
